

**M.S.B.O.A. District 8
High School Solo and Ensemble**

Fall Meeting – September 22, 2008

Entry Deadline – December 4, 2008

Festival – February 7, 2009

**Northern Site is at Eaton Rapids High School
Southern Site is at Tecumseh Middle School**

1. Address

Please send your invoice to me at school. If you have your accounting office put the invoice in the mail, please make sure that you verify the address with them and that they are aware of the deadline. I would suggest registered or certified mail.

Melissa Marks
Onsted High School
10109 Slee Road
Onsted, MI 49265

2. Computer Registration

Everyone must register online. See the district handbook for assistance. Use the district registration guidelines. All invoices and checks should be postmarked by December 4, 2008, and mailed to my school.

3. Original Scores/Solos

As per M.S.B.O.A. State policy, each event must provide an original score or solo for the adjudicator. Please consult the M.S.B.O.A. Yearbook for the specific wording.

4. Accompanists

Please try to limit the number of events per accompanist to 25.
This will help keep the rooms on schedule.

5. Work Assignments

Everyone will receive a work assignment. Please indicate which school and instrument you would prefer. If you cannot fulfill your work assignment, it is your responsibility to find someone to work for you. Please keep me informed.

Please note – the yearbook states that “All directors teaching in the building are required to work if they have entrants in the Festival.” Please be clear in your registration which directors are sending students and who, therefore, should have work assignments.

If you have any questions, please contact me by any of the ways listed below. Even though surprises do happen, if we can keep them to a minimum, it will be better for everyone involved.

Respectfully submitted,

Melissa Marks
VP High School Solo and Ensemble
