All State Honor Band/Orchestra Report – Monday, January 7, 2008

November 3-4, Mason Middle School hosted our All State Audition Site. State wide over 1775 students applied to audition this year. At our audition site, things rolled along very smoothly thanks to all our directors and especially to Amber McRay and Beth Bousfield. Many thanks to all those who donated their recording equipment for the entire weekend.

Make plans to attend the concerts this year on Saturday, January 26, 2008
