Etudes

- Thanks to Kevin Culling for getting etudes on line before Christmas.

- I have some copies of the etudes tonight but a limited amount. If you just can't get them from the internet, please take one.

- I'm accepting cassette tapes, CDS, and mp3 recordings of the etudes. Please see me or email me later if you want a quick and easy way to record your students and then email me the file.

- The deadline is February 8, 2008.

- Please encourage your students to double check their calendars before you send in their auditions. May 17 and 18.

- You should especially encourage oboes, bassoons, bari saxes, horns, bass clarinets to audition.

- Rehearsal 8am to 4:30 on Saturday, May 17, and 1:30 pm on Sunday the 18th. The concert will begin at 3 pm.
